

ET'S POUR - N - FORGET

Just Pour-N-Forget !

Pour-N-Forget for Septic Tanks, Grease Traps, and Drain Treatments is a unique liquid plant extract made from all natural ingredients which are environmentally friendly and safe. There are no toxic chemicals, cultured bacteria or enzymes in this product. Pour-N-Forget will not harm porcelain or pipes and is non-corrosive.

Pour-N-Forget provides an environmentally sound and personnel safe treatment for septic tanks, grease traps, and drain maintenance.

Why use Biostimulation?

Biostimulation is an all natural organic liquid plant extract that when applied to septic tanks and grease traps dramatically increases the existing microorganism's respiration which accelerates the decomposition of organic matter ten fold.

Pour-N-Forget Biostimulant is a mega concentrate that is non-selective, reduces odors, backups, and costly pump outs. Pour-N-Forget aids in FOG reduction, keeping the effluent within permit limits.

Benefits of ET's Pour-N-Forget:

- Natural organic product
- Reduces Pump Outs
- Reduces Odor
- Reduces Backups
- Proven Field Results
- Non-toxic, non-corrosive

DIRECTIONS FOR USE:

SEPTIC TANK TREATMENT - Use 1 oz of Pour-N-Forget once per week for a 500 gallon tank. Just flush in the toilet every week.

GREASE TRAPS - Use approx. 22 oz per day or 5 gallons for first month, then 2 ½ gallon per month for maintenance.

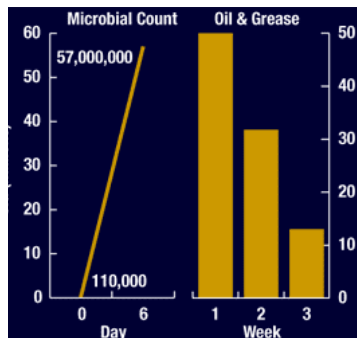

DRAIN LINES - Dilute 2 oz of Pour-N-Forget with one gallon of water and pour directly into each drain weekly. For slow drain, use daily for the first week.

Pour-N-Forget Program

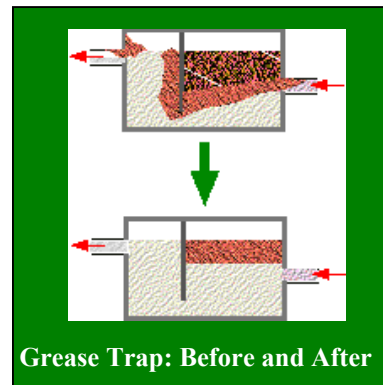

An average restaurant with a 1,000 gallon grease trap will require only 2½ gallons per month. Enviro-Tech's certified technicians offer a complete turn-key program providing high quality dosing pumps and service.

Program includes:

- Professional installation at no charge
- All dosing equipment is guaranteed for the length of program
- Regular service check for dosing calibration and product levels
- Complete change out of product
- 24 hour emergency service
- No hidden fees

Grease & Oil Reduction after 3 weeks
